*Supplies List for Summer Saturdays: Games, August 29*

*Make a game of Shut-the-Box*

- Scissors
- A ruler
- A piece of paper: card stock will work the best, but copy paper will do just fine
- Writing materials: a pen or pencil
- A pair of dice.

*Mancala*

- An egg carton
- A pair of scissors
- 48 small objects to use as game pieces: these could be beads, corn kernels, beans, marbles or other reasonably small items. Make sure they're not too small or they will be hard to pick up.
